

Casa Majane - villa with shared pool in Spain

Please note: Due to the massive water problems in Spain, it cannot be guaranteed that the pool will be open in 2024.

Normally, the large communal pool, to which only residents of the small urbanisation have access, is open from 15.05. - 15.11. each year. During the day, the pool and pool area are open from 8:00 in the morning until 24:00 at night. Children under the age of 12 are not allowed in the pool area unless accompanied by an adult. Pets are not allowed.

Casa Majane is just a few metres from the pool area. As the holiday home is not directly by the pool, you have the peace and quiet you need on holiday in the house and on the terraces.
